

STANDARD TERMS AND CONDITIONS OF PROCUREMENT

1. PURPOSE OF THE TERMS AND CONDITIONS

- 1.1. The purpose of this document is to establish the general procurement terms and conditions which govern the provision of the services and/or provision of goods (“**Services**”) by the Service Provider to Vergenoeg Mining Company (Pty) Ltd (“**VMC**”), as detailed in the purchase order placed by VMC to the Service Provider for the Services (“**PO**”).

2. SCOPE OF APPLICATION

- 2.1. These Standard Terms and Conditions shall apply to all POs submitted by VMC to the Service Provider. Any amendment to, or deviation from, these Standard Terms and Conditions by the Service Provider shall only be valid if it has been accepted in writing by VMC.
- 2.2. No other condition, specification, or similar instrument that the Service Provider includes in any documentation exchanged between the Parties regarding the PO and contradictory to the provisions of these Standard Terms and Conditions shall be applicable.
- 2.3. If there is a contract in place between VMC and the Service Provider in respect of certain goods and/or services, the provisions of the contract shall prevail over these Standard Terms and Conditions in respect of the supply by the Service Provider of such goods and/or services which are the subject of the Contract. The terms and conditions set out in the contract including any price(s) payable shall apply only in respect of the goods and/or services under such Contract.
- 2.4. If the Service Provider accepts a PO whether by means of delivery in terms of the PO or by any other means, the Service Provider shall be deemed to have accepted the PO as well as these Standard Terms and Conditions.
- 2.5. In the event of a conflict between these Standard Terms and Conditions and the details contained in a PO, the provisions of these Standard Terms and Conditions shall prevail unless, because of concerns being raised by the Service Provider in terms of condition 2.7, the PO is accompanied by a written document signed by an authorised representative of VMC amending these Standard Terms and Conditions.

- 3.1.3. the mode of delivery or collection;
 - 3.1.4. the details of who is responsible for transporting of the goods to any one or more of VMC's premises, depending on the context ("**Delivery Point/s**");

 - 3.1.6. the required quantity of the goods and/or Services;

 - 3.1.9. any reference to these Standard Terms and Conditions.
- 3.2. The placing of POs with Service Providers shall be in VMC's sole discretion and/or subject to VMC's operational requirements. VMC reserves the right to withdraw the PO at any time prior to completion of delivery in respect thereof for any reason. Such withdrawal shall be by means of written notification to the Service Provider and without incurring any liability to the Service Provider for damages or otherwise as a result of such withdrawal.
- 3.3. If there is a withdrawal of a PO by VMC, it shall be deemed that no agreement has been effected. There shall be no obligation on VMC to accept delivery after the date of the notice of withdrawal and/or to make payment in respect of delivery tender after such date.
- 3.4. A PO sent to any of the addresses contained in the Service Provider's vendor application shall be deemed to have been received by the Service Provider as follows:
- 3.4.1. if sent by email to an email address, on the date of sending provided that VMC receives on the same day a read receipt from the Service Provider;
 - 3.4.2. if sent by facsimile to a facsimile number, on the date of sending provided receipt thereof is confirmed telephonically by VMC;

In addition, the Service Provider shall be responsible for ensuring that the goods and/or Services are delivered to the correct Delivery Point/s.
- 3.6. If the Service Provider is to deliver the goods and/or Services at or to a Delivery Point/s, the Service Provider shall deliver the required quantities of goods and/or Services with the required Specifications to the relevant Delivery Point/s on the required date of

delivery. If VMC shall be responsible for collection, the Service Provider shall ensure the goods and/or Services in the required quantities with the required Specifications are available for collection from the Service Provider's premises on the required date for collection. The Service Provider shall furnish VMC with a delivery note as well as a copy of the PO when making a delivery in terms of this provision. Timely delivery of a PO is of the utmost importance and, in the event that the goods and/or Services ordered in terms of a PO have not been delivered timeously, VMC reserves the right to cancel or amend such PO without incurring any liability to the Service Provider for damages or otherwise as a result of such cancellation or amendment but without prejudice to VMC's rights including the right to recover damages it has suffered.

3.7. In the event:

3.7.1. that the PO does not include a date for delivery or collection, the order is for delivery/collection within 24 (twenty-four) hours of receipt of the PO;

3.7.2. of any ambiguity or uncertainty in respect of a PO, such ambiguity or uncertainty must be referred to VMC immediately and a corrected/amended PO obtained prior to delivery. Incorrect delivery in terms of a PO containing an ambiguity or uncertainty shall be at the risk of the Service Provider as VMC shall make payment on its own interpretation of the ambiguous or unclear provision and/or may reject a delivery if it is not as required by VMC; and

3.7.3. that the Service Provider is not able to comply with a PO whether in respect of the quantity of the goods and/or Services, time of delivery/collection or otherwise, the Service Provider is required to notify VMC immediately and delivery should not be executed before a suitable amendment to the PO is made by VMC. VMC may in such circumstances withdraw, cancel, or amend the PO.

3.8. Delivery to a Delivery Point shall only take place during the Delivery Times applicable to such Delivery Point. The onus rests on the Service Provider to confirm the Delivery Times with the relevant Delivery Point prior to delivery and no deliveries to a Delivery Point will be accepted outside of the Delivery Times of such Delivery Point unless a prior arrangement has been made with the relevant VMC representative at the Delivery Point/s. In no circumstances whatsoever shall the Service Provider have any claim in respect of damages and/or losses arising directly or indirectly from rejection by VMC of a delivery outside of the applicable Delivery Time/s.

3.9. The goods and/or Services must be supplied strictly in accordance with the PO.

3.10. No goods and/or Services more than those stated in a PO may be delivered and, if additional goods and/or Services are delivered, VMC shall not pay for such additional goods and/or Services.

3.11. Without limiting the other provisions of these Standard Terms and Conditions, VMC shall be entitled to:

3.11.1. cancel a PO prior to delivery and/or prior to completion of delivery in terms of such PO (whichever is applicable) if the Service Provider commits an act of insolvency. An act of insolvency shall refer to any of the following:

- 3.11.3. cancel a PO if it comes to VMC's attention that the Service Provider has provided incorrect or false information on its application to be registered as a Service Provider or the Service Provider fails to update its vendor application information with VMC after having received a request for such an update, prior to delivery in terms of such PO(s); and
- 3.11.4. reject delivery if the goods and/or Services supplied do not comply with the PO.
- 3.12. Unless other arrangements have been made in writing prior to delivery, the Service Provider shall at its own cost provide all labour, equipment, or facilities necessary for:
